Normal Mild Moderate Severe

FAIRWAY

CHIROPRACTIC CENTRE

5-Minute Spinal Screenings

This entails the Chiropractor physically assessing an individual's spine while laying on a portable Chiropractic table - The Chiropractor's hands will be touching the person's spine to assess for misalignments of the spine and providing their findings of spinal alignment. And answering any questions the person may have about their spinal health and if Chiropractic would be of help for them.

What's required from you as the company?

Depends on the event:

-Lunch and Learn - We provide a light meal. We simply need a space where people can all hear me speaking while they're sitting in their current work stations, or in a separate meeting room.

-Stand-Up Talk - Nothing required. Just 10min of your team's time in a location of their usual work place where they can hear me speaking.

-5-Minute Spinal Health Screening - Simply need an area of 8 feet by 6 feet minimum. This can be a closed room, or a space within an open area. Two chairs. That's it.

Exclusive Offer

Everyone who participates gets access to a limited-time discounted Chiropractic exam and consultation — only available through these wellness events.

About Fairway Chiropractic Centre

- ❑ *Proud WINNER of the Top Choice Award for Chiropractic in Kitchener several years*
- ❑ *Voted one of Kitchener's Top 3 Rated Chiropractors multiple times*
- ❑ *Backed by hundreds of 5-star Google reviews — proof that we get results and treat you like family*

We're passionate about proactive care that improves lives, not just symptoms.

Meet The Chiropractor

Dr. Nik Dukovac grew up in Northern Ontario, where Chiropractic care helped him recover from hockey injuries. Inspired by those results, he studied Human Kinetics at the University of Guelph, then earned his Doctor of Chiropractic in Toronto, graduating in 2007.

His career took him around the world — from owning two successful clinics in South Australia for 15 years, to serving local communities in Nicaragua for 12 months, following a calling to give back. Now back home in Canada, Dr. Nik was honoured to take over Fairway Chiropractic Centre from the beloved Dr. Steve Murdoch in 2023. He continues the clinic's legacy of caring for every patient as if they were family — with hands-on Chiropractic.

For Dr. Nik, Chiropractic isn't just a profession — it's a calling.
